Event iPad Rental UK

Excellent Range of iPads Available

Renowned globally for its sleek design and user-friendly apps, the iPad stands as the ultimate tablet choice. Whether it's a standard iPad rental for events or opting for iPad Pro or Mini hire, we're at your service.

Explore the array of iPad rentals at iPad Hire UK. Discover an extensive selection of iPad models, encompassing WiFi, Cellular, iPad Pro, and iPad Mini, all available throughout the UK.

iPad Pro Rental

The favoured choice is the expansive new iPad Pro, offering ample space for task clarity. iPad Hire proudly introduces nationwide iPad Pro rental offers with accessories. Whether it's the 12.9 or 10.5 model, we're equipped for all your needs.

WiFi iPad Rental

Boasting impressive power, swift processing, multitasking prowess, and user-friendly design, the WiFi iPad reigns as the iconic tech marvel of our time. The all-new WiFi iPad 10.2 takes this legacy to new heights, delivering unmatched power.

Cellular iPad Rental

Experience the versatility of Cellular iPad rentals, blending WiFi convenience with autonomous connectivity. With SIM slots akin to smartphones, Cellular iPads access data networks. From 1GB to unlimited data, your device comes primed for action.

Enhance Event Experience

Transform Your Event Experience with iPads

With the help of our rental services, experience event quality in a fresh way. Utilise cutting-edge technology to transform your event's experience by increasing participation, streamlining check-ins, and delivering interactive content. Our iPads give you the tools you need to produce memorable and influential events at conferences and trade exhibitions.

Hire iPads for events from us and take advantage of the innovative features to impress guests at your corporate gatherings and make a lasting impression.

Choose iPad Hire for Events: Trusted by Numerous Corporate Clients

Rely on us for iPads during pivotal corporate gatherings and vibrant retail pop-ups. Guaranteed delivery and seamless returns.

What Our Clients Say About Us

Get a Quote

“iPad Hire transformed our product launch event into a dynamic interactive experience. Their iPads, iPhones, and laptops were seamlessly integrated, and their event staffing team was invaluable – ensuring everything ran smoothly from setup to teardown. We couldn't have asked for better tech support!”

“Planning a large-scale conference was made effortless with iPad Hire. Their range of devices, from iPads to laptops, catered to our diverse needs. The technical event staffing they provided exceeded our expectations. Their team was knowledgeable, and a pleasure to work with.”

“iPad Hire's contribution to our sales seminar was monumental. Their iPads enabled real-time engagement, and their iPhones and laptops facilitated seamless presentations. Their support staff's expertise was evident, ensuring our technology-enhanced event was a resounding success.”
